Smolensky to Chair SIOR Independent Broker Group

Washington, DC, IL- The Society of Industrial and Office Realtors, SIOR, the preeminent real estate network has elected Daniel Smolensky, SIOR Chairman of the Independent Broker Group known as *IBG*. Smolensky remarked, “Independent brokers started SIOR nearly seventy-five years ago to provide global *best-in-class* service to their clients. It is a honor to carry the torch of such visionaries.”

Smolensky continued, “Independents are true entrepreneurs, most of us spent a significant amount of time in the large shops, but ultimately found that servicing our customer required a different, more focused approach.” Smolensky is Principal and Founder of Taurus Modal Group a real estate advisory firm that focus on representing only tenants and buyers, *not* landlords and developers. Smolensky says their non-conflicted approach has been their silver-bullet differentiator to win business.
